At the end of spring, after payment of both invoices, we will send you an application form for the afternoon workshops, which you can choose according to your preferences. The sooner you pay your invoices, the more workshop choices you will have.

DINING

Vegetarian, vegan and most importantly delicious!

Louť is a place in the heart of nature, you won't find a shop there. For modest personal supplies you can use a collective fridge.

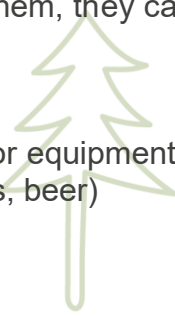

Storage of larger stocks of your own food and private cooking cannot be arranged. Self-catering is also more time consuming and cannot be allocated in the program.

CHILDREN AND DOGS

The presence of children and dogs at the Summer School is not possible due to capacity and organizational reasons.
